

YOU SHOULD TRY 3MT!

Thoughts from 2017 Winner MECCA WALKER

Did 3MT introduce you to other students?

"The 3MT allowed me to network and connect with inspiring graduate students who devote themselves to inconceivable feats and to share my passion for socially conscious consumerism with them."

Did 3MT allow you to network?

"By working with MSU faculty and staff to improve my presentation, I met business and community leaders who are willing to invest in my academic and professional journey."

Any advice to students about 3MT?

"I hope all graduate students, especially business and social science majors, feel inspired by the 3MT and challenged to explain graduate-level university research to the population of people it affects."

What did you enjoy about 3MT?

"The 3MT is not just a networking event, but also an opportunity for students with a question or problem they are attempting to answer at their home institution."

How did 3MT improve your research?

"I was able to showcase research I had invested my time and energy to, and received praise from the university and Springfield community for my effort."
